

A
COLORADO
TRAIL

invitation

Winner of the 1987-88
"Take Pride in America"
Award

Dear Friend:

THE COLORADO TRAIL

The Colorado Trail will be completed from Denver to Durango this summer, and The Colorado Trail Foundation and the U. S. Forest Service are planning a special Dedication Ceremony at both the East and West trail heads. This dedication will be a State Historical Event; we want you to mark your calendar to attend.

July 23, 1988, has been set for the Durango dedication at Junction Creek, and Sunday, July 24, 1988, at 4 p.m., has been set for the Denver dedication at Waterton Canyon.

Trail user groups are encouraged to schedule events to hike, mountain bike, run, and ride various sections of The Colorado Trail on or close to the dedication date and to gather at the respective ceremony sites to

be part of the Dedication. Members of the news media will be on hand to recognize the various interest groups that use and support The Colorado Trail.

We are planning on your attendance and participation in this exciting dedication.

A schedule of events for the dedication will be mailed to you before July. We hope that this unique trail will capture your heart as it has captured the hearts of the thousands of volunteers who have worked for fifteen years on this scenic 470-mile trail.

Plan to attend.

Gudy Gaskill
